

Bow My Head In Prayer

Words by: Jeffrey R. Witcher and Christopher Scott Neiswonger, 1996
Music by: Jeffrey R. Witcher, 1996

No statue before me
Sculpture from my hands
No picture, or painting
Idol made by man
Your image and likeness
Are not for display
I bow my head, close my eyes
That's how I pray
I bow my head, close my eyes
That's how I pray

I see Thee eternal
With eyes of my heart
I gaze with Your body
Of which I am part
Your power unmatched
Seen in each day
I bow my head, close my eyes
That's how I pray
I bow my head, close my eyes
That's how I pray
