

“Do This In Remembrance of Me”

Words: Christopher Scott Neiswonger, 1999. Music: Jeffrey R. Witcher, 2000

This is the body, was broken for you,
This is the blood that was shed
This is the body now risen to glory
This is the wine and the bread
This is the body now wounded for sin
This is the blood that did flow
This is the body, now risen eternal
This is the seed that was sown

*(Chorus *)* * “Do this in remembrance of Me”
Remember His work and His life and His sacrifice
“Do this in remembrance of Me”
Remember His joy and His pain, all for sinners’ gain

These are the scars on Your hands and Your side
This is the now empty tomb
This is the garden You suffered alone
Will of the Father to do
This is the wood of the cross raised up high
These are the nails of Your hands
This is the body, was broken for you
Lord, Son of God, Son of Man

*(Chorus *)*
